

Job Title: Pizza Maker

Pay: Competitive hourly rate plus shared tips

Job Description:

Are you passionate about creating culinary masterpieces with fresh, locally-sourced ingredients? Do you have a flair for handcrafting delicious pizzas that leave taste buds tingling? Farm to Fork Pizza is seeking a talented Pizza Maker to join our kitchen team, dedicated to crafting exceptional pizzas using our farm's fresh ingredients.

Responsibilities:

- Prepare and handcraft pizzas, applying sauce, toppings, and cheese, and baking to perfection.
- Work closely with the culinary team to ensure pizzas are made to order with the highest quality ingredients, maintaining consistency and adhering to our farm-to-table philosophy.
- Collaborate with the farm staff to utilize seasonal produce and other fresh ingredients in creative and innovative ways, contributing to menu offerings.
- Maintain cleanliness and organization in the pizza station, including proper storage of ingredients, cleaning of equipment, and adherence to sanitation standards.
- Ensure timely preparation and delivery of pizzas to guests, maintaining a high level of efficiency.

Requirements:

- Previous experience as a pizza maker or in a similar culinary role preferred, but will train the right people.
- Strong understanding of flavor profiles and ingredient combinations, with a passion for working with fresh, farm-to-table ingredients.
- Ability to work effectively in a fast-paced environment, multitasking and prioritizing tasks to meet guest expectations.
- Excellent attention to detail and commitment to upholding quality standards in food preparation and presentation.
